### A Grab For Negro Votes

The wave of sit-ins at white lunch counters by negro college students in the South puts the final stamp of politics upon the current agitation for greater so-called "civil rights".

In eight years spent in the Chicago area, this writer never saw negroes at white places. In one instance a negro asked for service and was refused. The same was true elsewhere in the North. Then why did negroes seek service at Southern lunch counters before attempting it in the North?

Senator Herman Talmadge of Georgia recently appeared on "Meet the Press" over the National Broadcasting Company's TV network, held up a sheet of papers and said: "Here are 17 pages of federal laws that guarantee every citizen in America the right to vote."

He continued that only 25 percent of negroes in Cleveland, Ohio, were registered and only a fourth of this 25 percent vote. "Now we have a much higher percentage than that who are registered in Georgia and a far higher percentage vote in Georgia," Senator Talmadge said.

It is well known that the majority of negroes in the country are Democrats. The Republicans tried to win them with so-called "civil rights" laws. Northern Democrats tried to keep their votes by supporting the Republican moves. The South would be caught in the middle of such a squeeze play but a band of gallant Southern Senators have waged such a fight that already it is admitted that when the "civil rights" law is enacted it will be devoid of its worst features. Again is proved the wisdom of the South remaining within the framework of the Democratic party because more can be accomplished on the inside than on the outside.

### A Grab For Race Group Votes

President Eisenhower has urged Congress to let 308,000 immigrants enter the United States annually — twice the number now permitted. Neither the number nor annually admitted, nor the number he wants admitted, would make a big ripple in the country the size of the United States.

What is important is that this represents another attack on our immigration laws in a play for votes of groups who would like to bring the entire population of Poland, Ireland, Italy and a few other countries to America.

Their strongest argument is an appeal to sympathy of sympathy-minded America. They picture the plight of the millions of poor people in Italy and elsewhere. So if you want to ease your conscience just try to emigrate to one of those countries. A poor Lebanese tried to emigrate to Italy and, in his words, "The Italians threw the papers right in my face."

An American seaman of English extraction found himself signed off a ship in Rotterdam and took passage to London to visit two aunts. English immigration authorities at first refused him entrance. His pleas to see his aunts finally softened them to the extent that they granted entrance "for just one week" after which he would be subject to arrest if still in England.

There is no surer way to change the face of any country than to open the gates of immigration.

### A Much - Needed Step

The Elba Jaycees are to be commended for their efforts to have all streets named and appropriately marked, and all houses numbered. Without such numbering there is no end to the confusion which results. The extra time mail carriers need to deliver a letter is only part of it. Strangers coming into the city are at an equal disadvantage.

An effort to have all houses numbered has been started before but each time died aborning. The Jaycees can perform no better service than to push their efforts in this direction to completion.

In accordance with a Decree of the Circuit Court of Coffee County, Alabama, in Equity, Elba Coffee County, made a tour of farms in Coffee county Wednesday, March 10. Observations were made on the following cooperated farms in the Elba area: ball clover plantings on O. F. McCollough farm; farm pond and ball clover planting on J. F. Spurlin farm; fence-white clover pasture planting on 12 acres low-land and coastal bermuda and crimson clover combination on

Sherrer of the Mt. Pleasant Club, Kenneth Sanders, New Hope, Paul Brewer, Fairview, Dewey Sims, Goodman, Willie Ray and Jimmy Nolin, Kingston; and Donnan Bryan of Pine Level. In the club meetings, I told these boys to do the very best they could just to see how close they can come to a ton of peanuts per acre. I am anxious to see how they turn out.

**Coming Events**  
Wednesday, April 9 is the deadline in the 4-H Safety Essay Contest. Boys and girls are writing essays on farm and home safety. These papers will be about 300 words in length and will be judged on content, neatness, punctuation, and grammar.

Then on Thursday night, April 14, at the Elba Theatre we plan to have the annual 4-H Club Talent Contest and a prom, dress and skirt review. This is always an enjoyable occasion and this year we believe those who want to see the show will have to come early to get a good seat.

Rally day for Coffee county 4-H Club members is Friday, April 22. The rally will be held at the Enterprise Football stadium and at the Levy Theatre in Enterprise. The rally is a big event for the boys and girls. It's the one day in the year when all come together for a day of awards, recognition, leadership training, field events and fellowship.

At Zion Chapel the other day, I was assisted in our fish-line demonstrations which we are giving this month, by John C. Windham, Mr. Windham is the local leader for the senior boys of Zion Chapel.

Every physician needs the patient's cooperation in order to secure the best results. Before he can cure, it is first necessary to find out the cause of the trouble. Physicians have the knowledge and skill to properly diagnose, but sometimes it takes time to accomplish this.

When you ask your physician for help, do not be impatient if results are not immediate. Sometime more than one visit is needed. Be sure to take any medicine he may prescribe exactly as he directs. Always follow your physician's directions faithfully, just as we pharmacists do when we compound his prescriptions.

## 4-H NEWS Round-up

BY TOM CASADAY • ASSISTANT COUNTY AGENT

Ricky Hutto of the Mt. Pleasant Community and his Dad, T. L. Hutto are doing one of the best jobs of feeding steers I have ever seen. I stopped by to see the Hutto's a few days back and was told that one of their 4-H steers has gained about 3 pounds per day on the average since the calves were bought September 30.

Diet: has three calves on feed and plans to show two of them in the McNary Jay sock show later in the Tri-State Show and Sale at Dothan when the calves are sold. It will be interesting to see just

how much weight Ricky's two best calves gained. My hat is off to Ricky and his dad for doing such an outstanding job.

A real effort is being made this year to carry out several adult and 4-H club special peanut demonstrations. Folks who study peanut production have learned and farmer experience has shown that we can increase our peanuts in Coffee County. And everyone knows that higher yields go along with more profits per acre.

Some of the boys planning these demonstrations are Jacky

# The Thrifty HOUSEWIFE KNOWS SHE PROFITS FROM ADVERTISING!

She Has Found From Experience that she fares Better When She Buys From Those Stores Which Advertise Regularly in Newspapers!

# The Wise MERCHANT KNOWS HE PROFITS FROM ADVERTISING!

No business has to advertise. An experienced ad man is the first to disagree with the oft-repeated statement that "You have to advertise." Because you don't. But the most successful merchants are those who advertise. Because they want to let their customers know about their latest values and they have no fear to let their competitors know the same as their customers.

There are definite rules how to use it and the first rule is to budget the advertising the same as to budget the rent, payroll, gas, lights and water. Regular advertising is the keynote. No longer is advertising for clearance sales only. Customers want to know about regular price line merchandise too.

And there must be some reason why there is more advertising done in newspapers than in any other media. In fact, there is as much advertising done in newspapers as in the next highest three media combined.

All advertising is good, some better than others!

### Double Heads Home Club Meets With Mrs. Wilson

The Double Heads Home Decorators Club met at the home of Mrs. Rufus Wilson, March 1 for a covered dish luncheon.

After an enjoyable social

hour the meeting was called to order by the president, Mrs. Wilson. The following program was given:

Story and Song "Rock of Ages" Mrs. Adele L. Lowery; Devotion, Mrs. Rufus Wilson; Roll Call and Minutes, Mrs. Auburn Carroll. Twelve members and one visitor were present.

After a short business meeting, the demonstration "Home Records and Filings" was given by Mrs. Wakefield.

The club will meet again in April with Mrs. Son Lowery.

### Luncheon Honors Visitors From Florida

Mrs. W. A. Vanbarium and a group of her friends, all of whom were in Florida, were honored at a luncheon given by Mrs. Vanbarium's mother, Mrs. Lamar Rainer, Sr., at her home Thursday, March 17, at 12:30 p.m.

Those sharing honors with Mrs. Vanbarium, the former Mrs. Rosa Pat Rainer, were: Mesdames A. L. Acree, Art White, Don Williams, Sara Kelley and Gwen Beard.

The theme of St. Patrick's Day was accentuated in the living room, dining room and parlor. Card tables set up in the living room and covered with elegant linen cloths were centered with green shamrocks. The buffet table was covered with a white linen cloth over green. Its center decoration was a green crystal bowl holding white slides. At either end of the table was a green candlestick holding a slender graceful taper.

### TIGERS WILL BATTLE EACH OTHER HERE

A highly successful Spring football practice will come to a close tonight at 7:00 in Elba High School stadium as the Blacks and Golds take the field in their annual intra-squad game.

The teams promise to be evenly matched, due to the 13-13 tie to which they fought last Friday afternoon. The same squads, with the Blacks being composed of next year's seniors and freshmen and the Golds made up of the Sophs and Juniors, will play.

The Blacks, coached by Coach Bill Strickland, are as follows: Gary Hudson, fullback; Jimmy Sanders, quarterback; Elmer Thibault, halfback; Robert Russell, tackle; George Kins, end; Bobby Imman, end; Wayne Taylor, guard; Wayne Bryan, guard; Lamar Parker, halfback; Robert Parker, center; Lamar Kelley, tackle; Jackie Ennis, guard; Claude Deyne, halfback; Joe Spurlin, end; Jimmy Ennor, halfback; Sammy Edmondson, end; and Terry Carney, end.

The Golds will be coached by Coach Dean Akis. They are: Charles Pearce, center; Jerry Kilecase, guard; Bert Cassey, guard; Harold Cain, tackle; Rudolph Pree, halfback; Max Davis, center; Steve Dewberry, halfback; Tond Hudson, quarterback; Bob Norman, halfback; Fred Smith, halfback; Johnny Vaughan, fullback; Bob Duran, center; Mickey Holley, halfback; Dennis Flowers, fullback; Max Layton, quarterback; Larry Sanders, tackle; Joe Ennis, guard; Charles Rogers, guard; and Tommy Davis, end.

The first of two intra-squad games during Spring practice ended in a 13-13 tie Friday afternoon as the Blacks and Golds thrilled spectators until the final whistle.

Shows Promise The Tigers, both brands, showed the crowd a hard hitting type of football that promises better things to come next season. Both Blacks and Golds were stingy with their offensive play, leading rooters to believe that it will be difficult to gain yardage in the future over the beefy Bengal forward wall.

The Golds started things off with a bang by scoring quickly in the first quarter and showing the Blacks that they were unopposed. Things went from bad to worse as the Blacks as they played the greater part of the first half in their own back yard and had to fight desperately to ward off a final thrust just before the half as the Golds made another big drive just falling short of the TD mark.

Rudolph Pree scored the first TD, but a pass to Harold Hudson for the PAT fell short as the halftime stood at 6-0. The third quarter was in favor of the Golds as Dennis Flowers made their second TD leaving the score at 12-0. The PAT was also good.

Score On Pass The Blacks, trailing by 13 points used the accurate arm of Slimmy Jimmy Sanders to score their first TD, but losing the extra point, with the score at 13-6. Then the Blacks stepped up the pace, shaking the ball loose from Max Layton, Gold QB, and marched straight for another touchdown with Twitely going over from 4 yards out. The "do-or-die" point was good as it tied up the score.

Tonight's game will start at 7 p.m. with local quarters club members officiating. A small admission will be charged to defray the expense of lights.

T. K. Dorsey, Dorsey Trailers, Elba, and Allied Industry Vice President of the Alabama Trucking Association, will play a prominent role in the Annual Convention of the Association at Biloxi, Miss., April 7-8. The convention will be held at Hotel Buena Vista.

Law Prohibits Sale Of Live Novelities Attention has been called to the fact that the last session of the Alabama Legislature adopted a law against the sale or giveaway of baby chicks, baby ducks and baby rabbits as pets or novelties.

Mrs. David W. Crosland, president, Alabama Federation of Humane Societies, Montgomery, said: "A few children have been disappointed, but it can hardly be argued that the law which outlaws commercialized cruelty to animals is a deprivation of good, clean fun."

Goodwin Is Host All members of the Elba FFA Chapter attended the meet in Brundidge where more than 700 FFA members, with Mrs. Goodwin, owner of Bob's Feeds and Winwood Farms, was host at the noon barbecue.

The day-long event started at the Brundidge National Guard Armory and Winwood Farms with contests ranging from tractor driving and livestock judging to public speaking and quartet singing.

When all eligible crop land on a farm is in the Soil Bank, the permitted acreage is zero, the ASC official said. The home garden area on such a farm may be used to produce crops for home use, for setting out forest trees, or for non-agricultural purposes, but production of a Soil Bank base crop on such land is a contract violation.

Unchanged in dollar value, were the monetary units of a few nations, mostly those that have a closer economic and financial tie-in with the United States. Included Panama, Venezuela, Haiti, Honduras, Guatemala, El Salvador, the Dominican Republic and Liberia.

Only Canada's currency actually showed a substantial increase in value, an increase of 5 per cent.

The United States dollars has suffered as much or more than most, losing more than 52 per cent of its 1940 purchasing power.

Nothing is so good as it seems beforehand.

## Repairs Planned To Court House

The board recently installed a new water fountain on the lawn with the likeness of a boy holding a vase from which water pours into a successfully larger trays beneath.

The dilapidated appearance of the court house has received comments in successive Grand Jury reports so the commissioners agreed Monday to make a complete renovation of the entire building instead of piece-meal repairs.

By unanimous vote on a motion by Commissioner Bowen and seconded by Commissioner Tindol, the board directed County Engineer Leslie Mullins to submit at the next meeting a complete set of plans to make the old building like new, after which bids will be asked from contractors for the work.

Present were Commissioners Brown, Tindol, Bowden and Whitman.

The board, by unanimous vote, asked the Pike county board to place on its list of road improvements the road from the Coffee-Pike county line running in a northwesterly direction to intersect the Henderson-Glenwood road, a distance of about four miles to tie in with improvements to the same road on the Coffee county side.

Every farmer who has a crop-land under a Conservation Reserve contract this year must be sure to comply with any acreage allotments on the farm and also to observe his permitted acreage of Soil Bank base crops, Lester Gunter, chairman of the Coffee Co. Agricultural Stabilization and Conservation, said today.

Generally speaking, Mr. Gunter said, the permitted acreage on a Soil Bank farm is the amount of land on which grains, clover and soybeans are produced. It consists of the historical acreage of such crops less the amount of land placed in the Conservation Reserve. A farmer who exceeds this permitted acreage or any acreage allotment on the farm may lose his annual rental payment and also be subject to a civil penalty.

The home garden area on such a farm may be used to produce crops for home use, for setting out forest trees, or for non-agricultural purposes, but production of a Soil Bank base crop on such land is a contract violation.

### CENSUS FORM DISTRIBUTED TO EACH HOME

Advance Report Forms for the 1960 Census of Population and Housing will be distributed by the Post Office this week to all households in this area. District Supervisor James L. Tindell announced today.

The advance Report Form is a new census taking device which is designed to speed up field canvasses and provide more accurate statistics. Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member in advance of the census taker's visit.

The district supervisor urges all residents to fill out the forms and have them ready for the census taker when they start their rounds on April 1. They are not to be mailed.

All three of the injured were taken to Opp hospital where the driver, least injured of the three, was released Tuesday after treatment for slight injuries to his chest and left arm.

Floyd suffered a cut on the head and an injured ankle while Brooks suffered a cut on the head and broken ribs.

Funeral and Survivors Funeral services for Jacobs were held Monday afternoon from the Curtis Baptist Church with the Rev. Floyd Burger and his father, and the Rev. Bernice Reese officiating. Burial was in the church cemetery.

He is survived by the widow; his father and mother, Mr. and Mrs. S. J. Jacobs; four sisters, Mrs. Dorothy Jones and Mrs. Doris Colquhoun, both of Opp; Mrs. Dollie Moore of DeLand, Fla., and Miss Annie Jewel Jacobs of the Goodman club, Winfield, Ala.

Therefore, Fire Chief Bob Folom has asked NOT to do either of the above. In fact, he asked, if you're not a fireman, wait until the firemen ask you to help.

During the last twenty years the depreciation of national currencies has slashed the dollar value of foreign money up to as much as 90.7 per cent and in some cases, crashed it altogether.

Pick's World Currency Report, which closely watches the world's money markets, lists the change in dollar value of currencies between January 1, 1940 and June 30, 1959.

According to Pick's, the currency of Bulgaria, China, Burma, Greece, Hungary, Hong Kong, Korea, Malaya, Rumania, Poland, Yugoslavia and Free China lost 99.0 or more per cent of their 1940 value. These currencies were completely wiped out and have since been replaced.

National monetary units which lost from 91.2 to 99.7 per cent of their value included those of Japan, Russia, Austria, Italy, Chile, Argentina, Turkey, France and Spain.

The currencies of Belgium, Norway, Australia, Great Britain and Denmark were more fortunate, the erosion ranging between 3.7 and 48.7 per cent depreciation.

Unchanged in dollar value, were the monetary units of a few nations, mostly those that have a closer economic and financial tie-in with the United States. Included Panama, Venezuela, Haiti, Honduras, Guatemala, El Salvador, the Dominican Republic and Liberia.

## 1 Dead, 3 Hurt As Cars Crash In Fog

One man was killed and three injured in a head-on collision on the Elba-Opp highway west of Curtis during a fog which enveloped the area last Sunday just before daybreak.
